A player who has been suspended from participating in a match shall be permitted from the toss of the coin and for the remainder of the match thereafter be permitted to enter the players' dressing room provided that the players' dressing room (or any part thereof) for the match is not within the playing area described in b) above (for example, the player is not permitted to enter the on-field 'dug-out').

- 1.2.3 All those nominated including those nominated as substitute fielders, must be eligible to play for that particular team and by such nomination the nominees shall warrant that they are so eligible.
- 1.2.4 In addition, by their nomination, the nominees shall be deemed to have agreed to abide by all the applicable ICC and / or ACC Regulations pertaining to international cricket and in particular, the Clothing and Equipment Regulations, the Code of Conduct for Players and Player Support Personnel (hereafter referred to as the ICC Code of Conduct), the Anti-Racism Code for Players and Player Support Personnel, the Anti-Doping Code and the Anti-Corruption Code.

2 LAW 2 - SUBSTITUTES AND RUNNERS, BATSMAN OR FIELDER LEAVING THE FIELD, BATSMAN RETIRING, BATSMAN COMMENCING INNINGS

Law 2 shall apply subject to the following:

2.1 Law 2.1 Substitutes and Runners

Law 2.1 (a) (ii), 2.7 and 2.8 shall not apply. A runner for a batsman when batting is not permitted. Law 2.1 (b) shall be amended as follows:

The umpires shall have discretion to allow, for other wholly acceptable reasons, a substitute fielder to act for a nominated player, at the start of the match, or at any subsequent time.

2.2 Law 2.5 - Fielder absent or leaving the field

Law 2.5 shall be replaced by the following:

If a fielder fails to take the field with his side at the start of the match or at any later time, or leaves the field during a session of play, the umpire shall be informed of the reason for his absence, and he shall not thereafter come on to the field during a session of play without the consent of the umpire. (See Law 2.6 as modified). The umpire shall give such consent as soon as practicable.

If the player is absent from the field for longer than 8 minutes, the following restrictions shall apply to their future participation in the match:

- 2.2.1 The player shall not be permitted to bowl in the match until he has either been able to field, or his team has subsequently been batting, for the total length of playing time for which he was absent (hereafter referred to as penance time), subject to a maximum cumulative penance time of 120 minutes. If any unexpired penance time remains at the end of the first innings, it is carried forward to the second innings of the match.

- 2.2.2 The player shall not be permitted to bat in the match until his team's batting innings has been in progress for the length of playing time that is equal to the unexpired penance time carried forward from the previous innings, subject to a maximum cumulative penance time of 120 minutes. However, once his side has lost five wickets in its batting innings, he may bat immediately.

For the purposes of 2.2.1 and 2.2.2, playing time shall comprise the time play is in progress excluding lunch intervals, intervals between innings and official drinks intervals.

However, in the event of a batsman or a fieldsman already being off the field at the commencement of an interruption in play through ground, weather or light conditions or for other exceptional circumstances, he shall be allowed to count any such stoppage time as playing time, provided that he personally informs the umpires when he is fit enough to take the field had play been in progress.

Similarly, if at the commencement of an interruption in play through ground, weather or light conditions or for other exceptional circumstances, a player is on the field but still has some unexpired penalty time remaining from a previous absence, he shall automatically be allowed to count any such stop-page time as playing time, provided he returns to the field of play immediately after the interruption.

The restriction in clauses 2.2.1 and 2.2.2 above shall not apply if the player has suffered an external blow (as opposed to an internal injury such as a pulled muscle) whilst participating earlier in the match and consequently been forced to leave the field. Nor shall it apply if the player has been absent for very exceptional and wholly acceptable reasons (other than injury or illness).

- 2.2.3 Substitute fielders shall only be permitted in cases of injury, illness or other wholly acceptable reasons. 'Wholly acceptable reasons' should be limited to extreme circumstances and should not include what is commonly referred to as a 'comfort break'.
- 2.2.4 Squad members of the fielding team who are not playing in the match and who are not acting as substitute fielders shall be required to wear a team training bib whilst on the playing area (including the area between the boundary and the perimeter fencing).

- 3.1.2 All the umpires will be appointed from the panel selected by ACC for the tournament.
- 3.1.3 ACC or on behalf of ACC Tournament Director shall appoint the Match Referees for all matches.

The Organizing Committee may provide for the ringing of a bell, which shall be rung 4 minutes before the termination of an interval, when the umpires shall go to the wickets. The Managers of the participating teams will be informed at the start of the tournament if this practice is to be adopted.

3.5 Law 3.8 - Fitness for play and Law 3.9 - Suspension of play in dangerous or unreasonable conditions

3.5.1 The safety of all persons within the ground is of paramount importance to the ICC and ACC. In the event that any threatening circumstance, whether actual or perceived, comes to the attention of any umpire (including for example weather, pitch invasions, act of God, etc. See also clauses 3.5.4 and 3.5.5 below), then the players and officials should immediately be asked to leave the field of play in a safe and orderly manner and to relocate to a secure and safe area (depending on each particular threat) pending the satisfactory passing or resolution of such threat or risk to the reasonable satisfaction of the umpires, ACC Match Referee, the head of the relevant ground authority, the head of ground security and/or the police as the circumstances may require.

Laws 3.8 & 3.9 shall be replaced by:

3.5.2 The umpires shall be the final judges of the fitness of the ground, weather and light for play. See clause 3.5.3 below and Law 7.2 (Fitness of the pitch for play).

3.5.3 Suspension of play for adverse conditions of ground, weather or light

- a) All references to ground include the pitch. See Law 7.1 (Area of pitch).
- b) If the umpires together agree, that the conditions of ground, weather or light are so bad that there is obvious and foreseeable risk to the safety of any player or umpire, so that it would be unreasonable or dangerous for play to take place, then they shall immediately suspend play, or not allow play to commence or to restart. The decision as to whether conditions are so bad as to warrant such action is one for the umpires alone to make, following consultation with the ACC Match Referee.

The fact that the grass and the ball are wet and slippery does not warrant the ground conditions being regarded as unreasonable or dangerous. If the umpires consider the ground is so wet or slippery as to deprive the bowler of a reasonable foothold, the fielders of the power of free movement, or the batsmen of the ability to play their strokes or to run between the wickets, then these conditions shall be regarded as so bad that it would be unreasonable for play to take place.

If circumstances are warranted, the umpires shall stop play and instruct the ground staff to take whatever action they can and use whatever equipment is necessary to remove as much dew as possible from the outfield when conditions become unreasonable or dangerous. The umpires may also instruct the ground staff to take such action during scheduled and unscheduled breaks in play.

The umpires shall disregard any shadow on the pitch from the stadium or from any permanent object on the ground.

- c) When there is a suspension of play it is the responsibility of the umpires to monitor the conditions. They shall make inspections as often as appropriate. Immediately the umpires together agree that conditions are suitable for play they shall call upon the players to resume the game.
- d) If play is in progress up to the start of an agreed interval then it will resume after the interval unless the umpires together agree that the conditions of ground, weather or light are so bad that there is obvious and foreseeable risk to the safety of any player or umpire, so that it would be unreasonable or dangerous for play to take place.

3.5.4 Play may be suspended due to safety and security concerns by the umpires on the advice of the ACC Match Referee, the head of the relevant ground authority, the head of ground security or the police.

3.5.5 Where play is suspended under Clause 3.5.4 above the decision to abandon or resume play shall be the responsibility of the ACC Match Referee who shall act only after consultation with the head of ground security and the police.

3.6 Light Meters

Light Meters will not be used during the tournament.

3.7 Use of artificial lights

If in the opinion of the umpires, natural light is deteriorating to an unfit level, they shall authorize the ground authorities to use the available artificial lighting so that the match can continue in acceptable conditions.

In the event of power failure or lights malfunction, the provisions relating to the delay or interruption of play due to bad weather or light shall apply.

3.8 Clothing & Sight Screen

- b) Midwicket/cover area – no advertising to be positioned within the 30 yard (27.50 meters) circle.

3.9.2 Perimeter Boards

- a) Advertising on perimeter boards placed in front of the sightscreens is permitted save that the predominant colour of such advertising shall be of a contrasting colour to that of the ball.
- b) Advertising on perimeter boards behind the stumps at both ends shall not contain moving, flashing or flickering images and operators should ensure that the images are only changed or moved at a time that will not be distracting to the players or the umpires.
- c) In addition, the brightness of any electronic images shall be set at a level so that it is not a distraction to the players or umpires.

3.9.3 Sightscreens

- a) Sightscreens shall be provided at both ends of all grounds.
- b) Advertising shall be permitted on the sightscreen behind the striker, providing it is removed for the subsequent over from that end.
- c) Such advertising shall not contain flashing or flickering images and particular care should be taken by the operators that the advertising is not changed at a time which is distracting to the umpire.

5 LAW 5 - THE BALL

5.1 Law 5.2 - Approval and control of balls

- 5.1.1 ACC shall provide White cricket balls including spare used balls for changing during a match which shall also be of the same brand.

The fielding captain or his nominee may select the balls with which he wishes to bowl from the supply provided by ACC. The Reserve Umpire shall take a box containing at least 6 new balls to the dressing room and supervise the selection of the balls.

The umpires shall retain possession of the match ball(s) throughout the duration of the match when play is not actually taking place. - 5.3.2 In the event of the ball becoming wet and soggy as a result of play continuing in inclement weather or it being affected by dew, and in the opinion of the umpires being unfit for play, the ball may be replaced for a ball that has similar amount of wear, even though it has not gone out of shape.
- 5.3.3 If the ball is to be replaced, the umpire shall inform the batsmen and the fielding captain. Either batsman or bowler may raise the matter with the umpires and the umpires' decision as to a replacement or otherwise will be final.

5.4 Law 5.6 - Specifications

Law 5.6 shall not apply.

- 7.2.2 The on-field umpires and ACC Match Referee shall consult with both captains.
- 7.2.3 If the captains agree to continue, play shall resume.
- 7.2.4 If the decision is not to resume play, the on-field umpires together with the ACC Match Referee shall consider whether the existing pitch can be repaired and the match resumed from the point it was stopped. In considering whether to authorize such repairs, the ACC Match Referee must consider whether this would place either side at an unfair advantage, given the play that had already taken place on the dangerous pitch.
- 7.2.5 If the decision is that the existing pitch cannot be repaired, then the match is to be abandoned with the following consequences:
 - a) In the event of the required number of overs to constitute a match having been completed at the time the match is abandoned, the result shall be determined according to the provisions of clause 21.7.2.

- 7.2.7 Such a match may be played either on the repaired pitch or on another pitch, subject to the ACC Match Referee and the relevant ground authority both being satisfied that the new pitch will be of the required standard. The playing time lost between the scheduled start time of the original match and the actual start time of the new match will be covered by the provisions of clauses 12 and 16 below.

Law 12.2 shall not apply.

12.3 Law 12.3 - Completed innings

Laws 12.3 (c), (d) and (e) (iii) shall not apply.

12.4 Length of Innings

12.4.1 Uninterrupted Matches.

- a) Each team shall bat for 50 overs unless all out earlier.
- b) If the team fielding first fails to bowl the required number of overs by the scheduled time for cessation of the first innings, play shall continue until the required number of overs has been bowled. The interval shall be reduced to enable the second innings to commence at the scheduled time, subject to there being a minimum interval of 30 minutes. The team batting second shall receive its full quota of 50 overs irrespective of the number of overs it bowled in the scheduled time for the cessation of the first innings.
- c) If the team batting first is dismissed in less than 50 overs, the team batting second shall be entitled to bat for 50 overs.
- d) If the team fielding second fails to bowl 50 overs by the scheduled cessation time, the hours of play shall be extended until the required number of overs has been bowled or a result is achieved.
- e) Penalties shall apply for slow over rates (refer ICC Code of Conduct). 12.4.2 Delayed or Interrupted Matches
- f) Delay or Interruption to the Innings of the Team Batting First (see Appendix 2)
 - i) When playing time has been lost the revised number of overs to be bowled in the match shall be based on a rate of 14.28 overs per hour, which is inclusive of the provision of drinks intervals, in the total remaining time available for play.
 - ii) The revision of the number of overs should ensure, whenever possible, that both teams have the opportunity of batting for the same number of overs. The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs. To constitute a match, a minimum of 20 overs have to be bowled to the side batting second, subject to a result not being achieved earlier.

- iii) As soon as the total minutes of playing time remaining is less than the completed overs faced by Team 1 multiplied by 4.2, then the first innings is terminated and the provisions of 12.4.2 (b) below take effect.
 - iv) A fixed time will be specified for the commencement of the interval, and also the close of play for the match, by applying a rate of 14.28 overs per hour. When calculating the length of playing time available for the match, or the length of either innings, the timing and duration of all relative delays, extensions in playing hours, interruptions in play, and intervals, excluding those for drinks, will be taken into consideration. This calculation must not cause the match to finish earlier than the original or rescheduled time for cessation of play on the final scheduled day for play. If required the original time shall be extended to allow for one extra over for each team.
 - v) If the team fielding first fails to bowl the revised number of overs by the specified time, play shall continue until the required number of overs has been bowled or the innings is completed.
 - vi) Penalties shall apply for slow over rates (refer to ICC Code of Conduct).
- g) Delay or Interruption to the innings of the Team Batting Second (see Appendix 3)
- i) When playing time has been lost and, as a result, it is not possible for the team batting second to have the opportunity of receiving its allocated, or revised allocation of overs in the playing time available, the number of overs shall be reduced at a rate of 14.28 overs per hour, which is inclusive of the provision of drinks intervals, in respect of the lost playing time. Should the calculations result in a fraction of an over the fraction shall be ignored.
 - ii) In addition, should the innings of the team batting first have been completed prior to the scheduled, or re-scheduled time for the commencement of the interval, then any calculation relating to the revision of overs shall not be effective until an amount of time equivalent to that by which the second innings started early has elapsed.
 - iii) To constitute a match, a minimum of 20 overs have to be bowled to the team batting second subject to a result not being achieved earlier.
 - iv) The team batting second shall not bat for a greater number of overs than the first team unless the latter completed its innings in less than its allocated overs.
 - v) A fixed time will be specified for the close of play by applying a rate of 14.28 overs per hour. With the exception of drinks intervals, the timing and duration of all relative delays, extensions in playing hours and interruptions in play, will be taken into consideration in specifying this time.
 - vi) If the team fielding second fails to bowl the revised overs by the scheduled or re-scheduled close of play, the hours of play shall be extended until the overs have been bowled or a result achieved.
 - vii) Penalties shall apply for slow over rates (refer ICC Code of Conduct).

12.5 Extra Time

Maximum 15 Minutes extra time will be available where the start of play is delayed or play is interrupted or suspended.

12.6 Number of Overs per Bowler

No bowler shall bowl more than 10 overs in an innings.

In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second, no bowler may bowl more than one-fifth of the total overs allowed.

Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.

In the event of a bowler breaking down and being unable to complete an over, the remaining balls will be allowed by another bowler. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.

12.7 Law 12.4 – The toss

Law 12.4 shall be replaced by the following:

The captains shall toss for the choice of innings, on the field of play and in the presence of the ACC Match Referee, who shall supervise the toss. If the innings of the team batting first is completed prior to the scheduled time for the interval, the interval shall take place immediately and the innings of the team batting second will commence correspondingly earlier providing that this does not lead to an interval occurring more than 30 minutes prior to the scheduled interval.

If the innings of the team batting first is completed more than 30 minutes prior to the scheduled interval a 10 minute break will occur and the team batting second will commence its innings and the interval will occur as scheduled.

Where the innings of the side batting first is delayed or interrupted, the length of the interval will be reduced as follows:

- i) If up to 15 minutes of actual playing time is lost (total playing time lost less any extra time provided), then the interval will be reduced by the amount of actual playing time lost.
- ii) If more than 15 minutes of actual playing time is lost (total playing time lost less any extra time provided), then the interval will be reduced to 30 minutes (subject to (iii) below).
- iii) Note: The prescribed interval timings above may be reduced further by the ACC Match Referee taking into account the intention of not having a prolonged interval after a lengthy interruption close to the conclusion of the innings of the team batting first. However, the minimum interval shall not be less than ten minutes.
- iv) The Prayer interval on Fridays will occur as scheduled, and it cannot be delayed or reduced. If the innings of the team batting first is completed 10 minutes or less before the start of Prayer Interval then this time will be added to the interval. The innings of the team batting second will start after scheduled lunch interval.

15.2 Law 15.9 - Intervals for drinks

(b) **Following schedule shall apply to all the matches played on Fridays**

First session:	08.15 to 11.45 hours
Prayer interval:	11.45 to 12.30 hours
Lunch interval:	12.30 to 13.15 hours
Second session:	13.15 to 16.45 hours

16.2 Laws 16.6, 16.7 and 16.8 shall not apply.

16.3 Laws 16.9, 16.10, and 16.11 shall apply in so far as they are relevant to a one innings limited overs type match.

16.4 Minimum Over Rates

The minimum over rate to be achieved in all the matches will be 14.28 overs per hour. The actual over rate will be calculated at the end of the match by the umpires.

In calculating the actual over rate for the match, allowances will be given for the actual time lost as a result of any of the following:

16.4.1 Treatment given to a player by authorized medical personnel on the field of play;

16.4.2 A player being required to leave the field as a result of a serious injury;

16.4.3 Left blank on purpose

16.4.4 Time wasting by the batting side; and

16.4.5 All other circumstances that are beyond the control of the fielding side.

In the event of any time allowances being granted to the fielding team under 16.4.4 above (time wasting by batting team), then such time shall be deducted from the allowances granted to such batting team in the determination of its over rate.

If a side is bowled out within the time determined for that innings pursuant to these playing conditions (taking into account all of the time allowances set out above), the fielding side shall be deemed to have complied with the required minimum over rate.

17 LAW 17 - PRACTICE ON THE FIELD

Law 17 shall apply subject to the following:

17.1 Law 17.1 - Practice on the pitch or the rest of the square

Law 17.1 shall apply subject to the following:

- a) The use of the square for practice on any day of any match will be restricted to any netted practice area or bowling strips specifically prepared on the edge of the square for that purpose.
- b) Bowling practice on the bowling strips referred to in (a) above shall also be permitted during the interval (and change of innings if not the interval) unless the umpires consider that, in the prevailing conditions of ground and weather, it will be detrimental to the surface of the square.

17.2 Law 17.3 - Practice on the outfield between the call of play and the call of time

Law 17.3 shall apply save that Law 17.3 (c) shall be replaced with the following:

- c) There shall be no bowling or batting practice on the outfield. Bowling a ball, using a short run up to a player in the outfield is not to be regarded as bowling practice but shall be subject to the law.

18 LAW 18 - SCORING RUNS

Law 18 shall apply.

19 LAW 19 - BOUNDARIES

Law 19 shall apply subject to the following:

19.1 Law 19.1 - The boundaries of the field of play

The following shall apply in addition to Law 19.1:

The boundary size will be determined by the host country.

19.2 Law 19.2 - Defining the boundary - boundary marking

The following shall apply in addition to Law 19.2:

All boundaries must be designated by an object to be determined by the host country.

19.3 Law 19.3 - Scoring a boundary

The following shall apply in addition to Law 19.3:

If an unauthorized person enters the playing arena and handles the ball, the umpire at the bowler's end shall be the sole judge of whether the boundary allowance should be scored or the ball be treated as still in play or called dead ball if a batsman is liable to be out as a result of the unauthorized person handling the ball. See also Law 19.1 (c).

20 LAW 20 - LOST BALL

Law 20 shall apply.

21 LAW 21 - THE RESULT

Law 21 shall apply subject to the following:

21.1 Law 21.1 - A win - two innings match

Law 21.1 shall not apply.

21.2 Law 21.2 - A win - one innings match

Law 21.2 shall apply in addition to the following:

21.2.1 Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), a result can be achieved only if both teams have had the opportunity of batting for at least 20 overs, unless one team has been all out in less than 20 overs or unless the team batting second scores enough runs to win in less than 20 overs.

21.2.2 Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), all matches in which both teams have not had an opportunity of batting for a minimum of 20 overs, shall be declared no result.

21.3 Law 21.3 – Umpire (ACC Match Referee) awarding a match

Law 21.3 shall be replaced by the following:

- a) A match shall be lost by a side which either
 - i) Concedes defeat or
 - ii) In the opinion of the ACC Match Referee refuses to play and the ACC Match Referee shall award the match to the other side.
- b) If an umpire considers that an action by any player or players might constitute a refusal by either side to play then the umpires together shall inform the ACC Match Referee of this fact. The ACC Match Referee shall together with the umpires ascertain the cause of the action. If the ACC Match Referee, after due consultation with the umpires, then decides that this action does constitute a refusal to play by one side; he shall so inform the captain of that side. If the captain persists in the action the ACC Match Referee shall award the match in accordance with (a)(ii) above.*
- c) If action as in (b) above takes place after play has started and does not constitute a refusal to play the delay or interruption in play shall be dealt with in the same manner as provided for in clauses 12.4.2 and 15.1 above.

* N/B In addition to the consequences of any refusal to play prescribed under this clause, any such refusal, whether temporary or final, may result in disciplinary action being taken against the captain and team responsible under the Code of Conduct

21.4 Law 21.4 – Matches in which there is an agreement under Law 12.1 (b)

Law 21.4 shall not apply.

21.5 Law 21.5 (a) - A Tie

The following shall apply in addition to Law 21.5 (a):

If the scores are equal, the result shall be a tie and no account shall be taken of the number of wickets which have fallen.

21.6 Law 21.5 (b) - A Draw

Law 21.5 (b) shall not apply.

21.7 Prematurely Terminated Matches - Calculation of the Target Score

21.7.1 Interrupted Matches - Calculation of the Target Score

If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 20 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current Duckworth/Lewis method. The target set will always be a whole number and one run less will constitute a Tie. (Refer Duckworth/Lewis Regulations Coda 4.0)

21.7.2 Prematurely Terminated Matches

If the innings of the side batting second is suspended (with at least 20 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the D/L 'Par Score' determined at the instant of the suspension by the Duckworth/Lewis method (refer Duckworth/Lewis Regulations Coda 4.0). If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

21.8 Law 21.8 - Correctness of result

Any query on the result of the match as defined in Laws 21.2, 21.3, 21.5, 21.8 and 21.10 (as modified by these regulations) shall be resolved as soon as possible and a final decision made by the umpires at close of play.

21.9 Points

21.9.1 Preliminary Matches

Following points system will be applicable during the entire tournament.

Win	2
Tie or No Result	1 point for each team
Loss	0

Note: No bonus point will be awarded in any match of the tournament.

21.9.2 Net Run Rate

A team's net run rate is calculated by deducting from the average runs per over scored by that team throughout the competition, the average runs per over scored against that team throughout the competition.

In the event of a team being all out in less than its full quota of overs, the calculation of its net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Only those matches where results are achieved will count for the purpose of net run rate calculations. Where a match is abandoned, but a result is achieved under Duckworth/Lewis, for net run rate purposes Team 1 will be accredited with Team 2's Par Score on abandonment off the same number of overs faced by Team 2.

Where a match is concluded but with Duckworth/Lewis having been applied at an earlier point in the match, Team 1 will be accredited with 1 run less than the final Target Score for Team 2 off the total number of overs allocated to Team 2 to reach the target.

21.10 Event Format

- (a) The tournament will be contested by the following 6 teams:

Afghanistan
Kuwait
Malaysia
Nepal
Saudi Arabia
United Arab Emirates (UAE)

- (b) Each team will play every other team once in a round-robin format.
- (c) Points will be allocated for each match in accordance with the system described in clause 21.9.1 of these playing conditions.

21.11 Final Standings:

In the event of teams finishing on equal points at the end of the round-robin matches, the final standings will be decided in the following order of priority:

- a) The team with the most number of wins in the round-robin matches will be placed in the higher position.
- b) If there are teams with equal points and equal wins in the round-robin matches then in such case the team with the higher net run rate in these matches will be placed in the higher position.
- c) If following the net run rate calculation above there are teams which are still equal, then the team which was the winner of the head to head match played between them will be placed in the higher position.
- d) In the highly unlikely event that teams cannot be separated by the above this will be done by drawing lots.

Please note in a match declared as no result, run rate is not applicable.

22 LAW 22 - THE OVER

Law 22 shall apply subject to the following:

22.1 Law 22.5 - Umpire miscounting

The following shall apply in addition to Law 22.5:

Whenever possible the Reserve Umpire shall liaise with the scorers and if possible inform the on-field umpires if the over has been miscounted.

23 LAW 23 - DEAD BALL

Law 23 shall apply.

24 LAW 24 - NO BALL

Law 24 shall apply subject to the following:

24.1 Law 24.1 (b) - Mode of delivery

Law 24.1 (b) shall be replaced by the following:

The bowler may not deliver the ball underarm. If a bowler bowls a ball underarm the umpire shall call and signal no ball, and the ball is to be re-bowled overarm.

24.2 Free Hit after a foot-fault no ball

In addition to the above, the delivery following a no ball called for a foot fault (Law 24.5) shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of no ball or a wide ball) then the next delivery will become a free hit for whichever batsman is facing it.

For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called wide ball. Field changes are not permitted for free hit deliveries unless there is a change of striker (the provisions of clause 41.2 shall apply).

The umpires will signal a free hit by (after the normal No Ball signal) extending one arm straight upwards and moving it in a circular motion.

24.3 Fair Delivery - the feet

Law 24.5 shall apply, subject to the final paragraph being replaced by the following:

If the bowler's end umpire is satisfied that any of these three conditions have not been met, he shall call and signal No ball.

25 LAW 25 - WIDE BALL

25.1 Law 25.1 - Judging a Wide

Law 25 shall apply with the following addition to Law 25.1:

Umpires are instructed to apply very strict and consistent interpretation in regard to this Law in order to prevent negative bowling wide of the wicket. Any offside or leg side delivery which in the opinion of the umpire does not give the batsman a reasonable opportunity to score shall be called a wide.

A penalty of one run for a wide shall be scored. This penalty shall stand in addition to any other runs which are scored or awarded. All runs, which are run or result from a wide ball, which is not a no ball, shall be scored wide balls.

26 LAW 26 - BYE AND LEG BYE

Law 26 shall apply.

27 LAW 27 - APPEALS

Law 27 shall apply.

28 LAW 28 - THE WICKET IS DOWN

Law 28 shall apply.

29 LAW 29 - BATSMAN OUT OF HIS GROUND

Law 29 shall apply.

30 LAW 30 - BOWLED

Law 30 shall apply.

31 LAW 31 - TIMED OUT

Law 31 shall apply.

Refer also to clause 42.9 (Law 42.10).

32 LAW 32 - CAUGHT

Law 32 shall apply.

33 LAW 33 - HANDLED THE BALL

Law 33 shall apply.

34 LAW 34 - HIT THE BALL TWICE

Law 34 shall apply.

35 LAW 35 - HIT WICKET

Law 35 shall apply.

36 LAW 36 - LEG BEFORE WICKET

Law 36 shall apply.

37 LAW 37 - OBSTRUCTING THE FIELD

Law 37 shall apply. For the avoidance of doubt, if an umpire feels that a batsman, in running between the wickets, has significantly changed his direction without probable cause and thereby obstructed a fielder's attempt to affect a run out, the batsman should, on appeal, be given out, obstructing the field. It shall not be relevant whether a run out would have occurred or not.

If the change of direction involves the batsman crossing the pitch, Law 42.14 shall also apply.

38 LAW 38 - RUN OUT

Law 38 shall apply.

39 LAW 39 - STUMPED

Law 39 shall apply.

40 LAW 40 - THE WICKET-KEEPER

Law 40 shall apply.

41 LAW 41 – THE FIELDER

Law 41 shall apply subject to the following:

41.1 Law 41.1 - Protective equipment

The following shall apply in addition to Law 41.1:

The exchanging of protective equipment between members of the fielding side on the field shall be permitted provided that the umpires do not consider that it constitutes a waste of playing time.

41.2 Restrictions on the placement of fieldsmen

41.2.1 At the instant of delivery, there may not be more than 5 fieldsmen on the leg side.

41.2.2 In addition to the restriction contained in clause 41.2.1 above, further fielding restrictions shall apply to certain overs in each innings. The nature of such fielding restrictions and the overs during which they shall apply (hereinafter referred to as the Power Play Overs) are set out in the following paragraphs.

41.2.3 The following fielding restrictions shall apply:

- a) Two semi-circles shall be drawn on the field of play. The semi-circles shall have as their centre the middle stump at either end of the pitch. The radius of each of the semi-circles shall be 30 yards (27.43 meters). The semi-circles shall be linked by two parallel straight lines drawn on the field. (Refer attached Appendix 5). The fielding restriction areas should be marked by continuous painted white lines or 'dots' at 5 yard (4.57 meters) intervals, each 'dot' to be covered by a white plastic or rubber (but not metal) disc measuring 7 inches (18 cm) in diameter.

During the first block of Power Play Overs (as set out below), only two fieldsmen shall be permitted outside this fielding restriction area at the instant of delivery.

During the second block of Power Play Overs only three fieldsmen shall be permitted outside this fielding restriction area at the instant of delivery.

- b) Two inner circles shall be drawn on the field of play. The circles shall have as their centers the centre point of the popping crease at either end of the pitch. The radius of each of the circles shall be 15 yards (13.72 meters). These fielding restriction areas should be marked by 'dots'. The segment of the circles reserved for the slip positions shall not be demarcated (refer attached Appendix 5).

During the first block of Power Play Overs (in an uninterrupted innings, the first 10), there must be a minimum of two stationary fieldsmen within the applicable fielding restriction area measured from the striker's end at the instant of delivery. When a fast

bowler is bowling the two stationary fieldsmen may be permitted to stand deeper than 15 yards (13.72 meters) (in the un-demarcated area) provided only that they are standing in slip, leg slip or gully positions.

41.2.4 During the non Power Play Overs, no more than four fieldsmen shall be permitted outside the fielding restriction area referred to in clause 41.2.3 (a) above.

41.2.5 Subject to the provisions of 41.2.6 below, the Power Play Overs shall apply for 15 overs per innings to be taken as follows:

- a) The first block of Power Play Overs (block of 10 overs for an uninterrupted match) shall be at the commencement of the innings.
- b) The second block of Power Play Overs (block of 5 overs for an uninterrupted match) shall be taken at the discretion of either of the batsmen at the wicket. In an innings of scheduled duration of between 41 and 50 overs, it may not be completed later than the 40th over. (No equivalent restriction applies to innings of shorter scheduled duration.)
- c) A batsman must nominate his team's Power Play no later than the moment at which the umpire reaches the stumps at the bowler's end for the start of the next over.
- d) Once a batsman has nominated a Power Play, the decision cannot be reversed.
- e) Should the batting side choose not to exercise their discretion, their Power Play Overs will automatically commence at the latest available point in the innings (e.g. in a 50 over innings, this will begin at the start of the 36th over).

41.2.6 In circumstances when the number of overs of the batting team is reduced, the number of Power Play Overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both the 1st and 2nd innings of the match.

INNINGS DURATION	FIRST POWERPLAY	SECOND POWERPLAY	POWERPLAY TOTAL
20 – 21	4	2	6
22 – 24	5	2	7
25 – 28	5	3	8
29 – 31	6	3	9
32 – 34	7	3	10
35 – 38	7	4	11
39 – 41	8	4	12
42 – 44	9	4	13
45 – 48	9	5	14
49	10	5	15

41.2.7 Each block of Power Play Overs must commence at the start of an over.

41.2.8 If play is interrupted not during the Power Play overs, then on resumption, it is necessary to determine how any remaining Power Play overs should be allocated. The total number of Power Play overs for the innings is derived from the table in 41.2.6. Any Power Play overs already taken prior to the interruption will be deemed to have been from the initial allocation followed by the batting side's allocation. The decision of the batting side of when to take any remaining Power Play overs is made in the usual way.

Illustrations of 41.2.8:

A match starts as 50 overs, is interrupted after 12 overs and reduced to 43 overs. (The first 10 overs have been Power Plays (PP); the next two were not.) The new PP allocation is 9+4, so there are 3 overs left for the batting side. These must start no later than the 38th over in order to be completed by the 40th over.

- 41.2.9 If play is interrupted during the first Power Play and on resumption the overs required to be bowled in that Power Play have already been exceeded, then the second Power Play will be assumed to have been taken immediately and will continue until it is completed.

Illustrations of 41.2.9

A 50 over innings is interrupted after 9.3 overs, and on resumption has been reduced to 43 overs. Power Play overs are 9+4. 2nd Power Play is in progress with 0.3 out of the 4 overs completed, i.e. it covers overs 10 to 13. The fielding restrictions relating to the second Power Play take immediate effect on resumption.

- 41.2.10 If following an interruption, on resumption the total number of Power Play Overs for the innings has already been exceeded, then there will be no further Power Play deliveries bowled in the innings. Note that this is the only circumstance under which the Power Play status can be changed during an over.

Illustrations of 41.2.10

A 45 over innings is interrupted after 8.3 overs, and on resumption has been reduced to 28 overs. Power Play overs are 5+3. All Power Play overs have been completed. Non-Power Play restrictions take effect immediately and do not need to wait until the end of the over.

- 41.2.11 If following an interruption while a Power Play is not in progress, it is found on resumption that the recalculated number of Power Play Overs remaining exceeds the number of overs to be bowled in the innings, then the Power Plays will commence at the start of the next over, with fewer than the scheduled number of Power Play Overs being bowled in the innings.

Illustration of 41.2.11:

A 41 over innings in which only the 1st Power Play has been taken is interrupted after 35.1 overs and reduced to 39 overs. Power Play overs are still 8+4. Power Plays automatically resume for the start of the next over, but only 11 of the 12 scheduled Power Play overs can be bowled in the innings.

- 41.2.12 At the commencement of the second block of Power Play Overs, the umpire shall signal such commencement to the scorers by rotating his arm in a large circle.

- 41.2.13 The umpire shall also indicate to the fielding captain before any signal is made that the batting side has chosen its Power Play.

- 41.2.14 A light or other indicator shall be displayed on the scoreboard whenever the Power Play Overs are being bowled, along with the number of overs remaining in the current block of Power Play Overs.

- 41.2.15 The public address system shall be used to keep the spectators informed.

41.2.16 In the event of an infringement of any of the above fielding restrictions, the square leg umpire shall call and signal 'No Ball'.

42 LAW 42 - FAIR AND UNFAIR PLAY

42.1 Law 42.3 - The Match Ball - changing its condition

Law 42.3 shall apply, subject to the following:

Law 42.3 (d) and (e) shall be replaced with the following:

If the umpires together agree that the deterioration of the ball is inconsistent with the use it has received, they shall consider that there has been a contravention of this Law. They shall then decide together whether they can identify the player(s) responsible for such conduct.

42.1.1 If it is possible to identify the player(s) responsible:

- a) Change the ball forthwith. The batsman at the wicket shall choose the replacement ball from a selection of six other balls of various degrees of usage (including a new ball) and of the same brand as the ball in use prior to the contravention.

Additionally the bowler's end umpire shall:

- b) Award 5 penalty runs to the batting side.
- c) Inform the captain of the fielding side of the reason for the action taken.
- d) Inform the captain of the batting side as soon as practicable of what has occurred.
- e) Together with the other umpire report the incident to the ACC Match Referee who shall take action as is appropriate against the player(s) responsible for the conduct under the ICC Code of Conduct.

42.1.2 If it is not possible to identify the player(s) responsible:

- a) Change the ball forthwith. The umpires shall choose the replacement ball for one of similar wear and of the same brand as the ball in use prior to the contravention.
- b) The bowler's end umpire shall issue the captain with a first and final warning, and
- c) Advise him that should there be any further incident by that team during the remainder of the match or series, steps 42.1.1 a) to e) above will be adopted, with the captain deemed under e) to be the player responsible.

42.2 Law 42.4 - Deliberate attempt to distract striker

Law 42.4 shall apply subject to the following:

In addition, the umpires shall report the incident to the ACC Match Referee under the ICC Code of Conduct.

42.3 Law 42.5 - Deliberate distraction or obstruction of batsman

Law 42.5 shall apply subject to the following:

In addition, the umpire shall report the incident to the ACC Match Referee under the ICC Code of Conduct.

42.4 Law 42.6 - Dangerous and Unfair Bowling

42.4.1 Law 42.6 (a) - The Bowling of Fast Short Pitched Balls

Law 42.6 (a) shall be replaced by the following:

- a) A bowler shall be limited to two fast short-pitched deliveries per over.
- b) A fast short-pitched delivery is defined as a ball which passes or would have passed above the shoulder height of the striker standing upright at the popping crease.
- c) The umpire at the bowlers end shall advise the bowler and the batsman on strike when each fast short pitched delivery has been bowled.
- d) In addition, for the purpose of this regulation and subject to Clause 42.4.1 (f) below, a ball that passes above head height of the batsman, that prevents him from being able to hit it with his bat by means of a normal cricket stroke shall be called a wide.
- e) For the avoidance of doubt any fast short pitched delivery that is called a wide under this playing condition shall also count as one of the allowable short pitched deliveries in that over.
- f) In the event of a bowler bowling more than two fast short-pitched deliveries in an over as defined in Clause 42.4.1 (b) above, the umpire at the bowlers end shall call and signal no ball on each occasion. A differential signal shall be used to signify a fast short pitched delivery. The umpire shall call and signal 'no ball' and then tap the head with the other hand.
- g) If a bowler delivers a third fast short pitched ball in an over, the umpire, after the call of no ball and when the ball is dead, shall caution the bowler, inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred. This caution shall apply throughout the innings.
- h) If there is a second instance of the bowler being no balled in the innings for bowling more than two fast short pitched deliveries in an over, the umpire shall advise the bowler that this is his final warning for the innings.
- i) Should there be any further instance by the same bowler in that innings, the umpire shall call and signal no ball and when the ball is dead direct the captain to take the bowler off forthwith.

If necessary, the over shall be completed by another bowler, who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof.
- j) The bowler thus taken off shall not be allowed to bowl again in that innings.
- k) The umpire will report the occurrence to the other umpire, the batsmen at the wicket and as soon as possible to the captain of the batting side.

- l) The umpires will then report the matter to the ACC Match Referee who shall take such action as is considered appropriate against the captain and the bowler concerned. (Refer also to Law 42.1 Fair and Unfair Play - Responsibility of the Captains.)

The above is not a substitute for Clause 42.5 below which umpires are able to apply at any time.

42.4.2 Law 42.6 (b) Bowling of High Full Pitched Balls Law 42.6 (b) shall be replaced by the following:

- a) Any delivery, which passes or would have passed on the full above waist height of the striker standing upright at the popping crease is deemed unfair, whether or not it is likely to inflict physical injury on the striker.
- b) In the event of a bowler bowling a high full pitched ball as defined in Clause 42.4.2 (a) above, the umpire at the bowler's end shall call and signal no ball.

If, in the opinion of the umpire, such a delivery is considered likely to inflict physical injury on the batsman, the umpire at the bowler's end shall, in addition to calling and signaling no ball, when the ball is dead, caution the bowler and issue a first and final warning. The umpire shall inform the other umpire, the captain of the fielding side and the batsmen at the wicket of what has occurred.

- c) Should there be any further instance (where a high full pitched ball is bowled and is considered likely to inflict physical injury on the batsman) by the same bowler in that innings, the umpire shall in addition to calling and signaling no ball, when the ball is dead, direct the captain to take the bowler off forthwith. If necessary, the over shall be completed by another bowler, who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof.
- d) The bowler thus taken off shall not be allowed to bowl again in that innings.
- e) The umpire will report the occurrence to the other umpire, the batsman at the wicket and as soon as possible to the captain of the batting side.
- f) The umpires will then report the matter to the ACC Match Referee who shall take such action as is considered appropriate against the captain and the bowler concerned. (Refer also to Law 42.1 Fair and Unfair Play - Responsibility of the Captains.)

42.5 Law 42.7 - Dangerous and Unfair Bowling - Action by the umpire

Law 42.7 shall be replaced by the following:

Regardless of any action taken by the umpire as a result of a breach of Clauses 42.4.1, 42.4.2 and 42.6 the following shall apply at any time during the match:

42.5.1 The bowling of fast short pitched balls is unfair if in the opinion of the umpire at the bowler's end he considers that by their repetition and taking into account their length, height and direction, they are likely to inflict physical injury on the striker, irrespective of the protective clothing and equipment he may be wearing. The relative skill of the striker shall also be taken into consideration.

42.5.2 In the event of such unfair bowling, the umpire at the bowler's end shall adopt the following procedure:

- a) In the first instance the umpire shall call and signal no ball, caution the bowler and inform the other umpire, the captain of the fielding side and the batsmen of what has occurred.
- b) If this caution is ineffective, he shall repeat the above procedure and indicate to the bowler that this is a final warning.
- c) Both the above caution and final warning shall continue to apply even though the bowler may later change ends.
- d) Should there be any further instance by the same bowler in that innings, the umpire shall call and signal no ball and when the ball is dead direct the captain to take the bowler off forthwith. If necessary, the over shall be completed by another bowler, who shall neither have bowled the previous over, or part thereof, nor be allowed to bowl the next over, or part thereof. See Law 22.8. (Bowler Incapacitated or Suspended during an Over).
- e) The bowler thus taken off shall not be able to bowl again in that innings.
